

Internment and Resilience: Researching the Lives of Japanese Canadian High School Graduates

WORKSHEET 2.1 Murakami House Scavenger Hunt #1

Respond to the following questions as you explore the Murakami Bunkhouses:

1. What kind of bride was Asayo Murakami?
2. In what village was Otokichi born?
3. Which school appears in the background of the photo featuring Asayo and the children in a strawberry field?
4. What is "Furo Ba"?
5. Where was the Dominion Stove Company situated?
6. What brand of tobacco did Otokichi smoke?
7. Where is the Kumamotoya Hotel?
8. What colour are the roller blades?
9. How much does the "Sports Queen" clothing pattern cost?

After the scavenger hunt, sort the above information or items into "mostly Canadian" or "mostly Japanese." How many of each are there? What does this tell us about the Murakami Family?
